Thank you for purchasing our stainless steel tank
we appreciate your business

Installation Instructions for GM Pumps

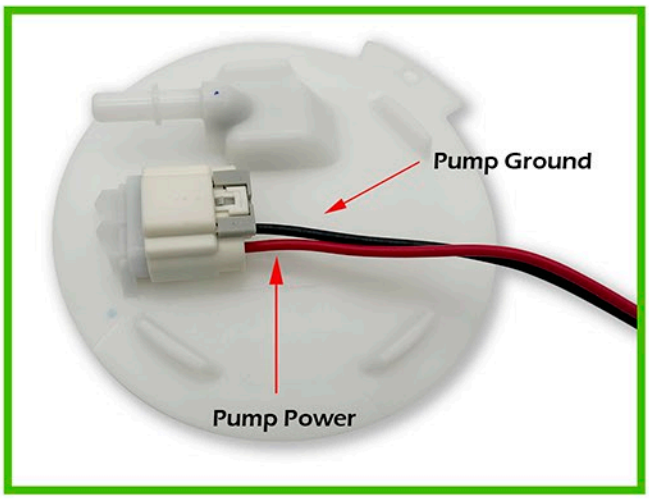

We have included a harness pn33550
for your GM pump.
It fits the two pumps that we offer,
SS Camaro and ZL1 Camaro Pump.

Connect white to white and black to gray.
It's best to use perma crimp connectors

WARNING:
This product may expose you to chemicals which are known to the state of California to cause cancer. For more information, go to wwwP65Warnings.ca.gov.
